---

## 2007

Central Statistics Office  
Ministry of Finance  
ROSEAU

## **INTRODUCTION**

The **2007 Travel Report** covers information on travel in and out of Dominica for the last ten years. This report presents data on visitor port of entry, airline and sea vessel activities, country of residence, length and place of stay, purpose of visit and cruise arrivals. The aim of this **annual** report is to assist interested persons, establishments, firms or institutions in readily recognizing visitor/tourist trends in Dominica. This report will help identify chief, potential and untapped markets and also provide information on the flow, activity and market share of main aircraft and sea vessels.

Periodically, relevant information will be added and slight changes will be made in the contents of these reports. Therefore, all suggestions from users that can assist us in improving future issues will be welcomed.

The Central Statistical Office is grateful for the co-operation it has received from the Immigration Department, the Canefield and Melville Hall Airports, the Division of Tourism and the various cruise and airline agencies.

## **EXPLANATORY NOTES**

### **THE FOLLOWING DEFINITIONS HAVE BEEN USED IN THIS REPORT**

**TOURISM:** Tourism denotes the temporary, short movements of people to destinations outside the places where they normally live and work, for other than business or vocational reasons and their activities during the stay at these destinations.

Tourism represents various types of short-term travel and visits and is variously defined for particular purposes, by reference to the purpose of the journey, its duration and other criteria.

**VISITORS:** A visitor is a non-resident person (national or alien) usually resident abroad, who enters Dominica and intends to stay for not more than one year for non-immigrant purposes such as touring, recreation, leisure, business, study or family reasons. Visitors have been divided into the following categories:

- (i) TOURIST: Any person who stays at least one night but not more than 365 nights in land accommodations.
- (ii) EXCURSIONIST: Any person who does not stay for any one night in any land accommodations.

Hence, an excursionist may either be a flight passenger who departs from Dominica on the same day he arrives, or a boat passenger who sleeps on board the vessel in a port of Dominica.

**RESIDENT:** Any person (national or alien) who has been residing or has been given permission to reside for more than one year and who has not yet been abroad for more than one year.

**TOURISTS ARE SUB-DIVIDED AS FOLLOWS:**

1. Holiday visitors whose purpose of visit is expressly stated as vacation. These visitors are classified either as staying in hotels, guesthouses or cottages, or as staying in private homes (i.e. with friends or relatives).
2. Business visitors who come for private as well as governmental business purposes. Included also are research workers from international institutions such the U.N., the I.M.F. and the CARICOM Secretariat.
3. Students who are permitted to enter to pursue a course of study at a school or university.
4. Other visitors, that is, visitors not covered by the previous three categories.

**THE COUNTRY GROUPINGS USED IN THE TABLES ARE DEFINED AS FOLLOWS:**

<b>O.E.C.S.:</b>	Antigua, Dominica, Grenada, Montserrat, St. Kitts/Nevis, St. Lucia and St. Vincent
<b>OTHER CARICOM:</b>	Barbados, Belize, Guyana, Jamaica and Trinidad & Tobago
<b>FRENCH WEST INDIES:</b>	Martinique, Guadeloupe, The Saints, St. Martin and St. Bartholomew
<b>SCANDINAVIA:</b>	Norway, Sweden, Denmark with dependencies, Finland and Iceland

**2007**  
**TRAVEL REVIEW**

During the period January to December 2007, visitor arrivals to Dominica recorded seventy-eight thousand eight hundred and ninety (78,890) registering a decrease of 7.2 percent over the corresponding period of 2006 (Tables 1 and 1A). However, over the period, the Caribbean, the main market recorded a 12.2 percent decline. The United States and European markets fell 2.1 and 5.7 percent respectively.

The Melville Hall airport accounted for 88.1 percent of air visitors with LIAT, the leading airline transporting 58.9 percent followed by American Eagle with 26.3 percent. The Woodbridge Bay Port accounted for 69.4 percent of sea visitors with the Express Des Iles sea vessel dominating with 98.3 percent (Tables 2 and 3).

A 7.3 percent decrease was recorded in total tourists' arrivals over the corresponding period, following a record number of tourist arrivals in 2006 mainly due to the filming of "Pirates of the Caribbean" in that year. The Caribbean, the main market accounted for 52.5 percent arrivals down from 55.4 percent in the last year thus recording a decrease of 12.2 percent (Table 8B).

The United Kingdom remains the main market within Europe accounting for 58.5 percent of all European tourists. France followed with 20.4 percent. The main States contributing to the United States market were New York, Florida and California, accounting for 16.5 percent, 11.2 percent and 9.1 percent respectively (Table 8A).

During the period under review, 53.6 percent of tourists stayed at private homes (Table 13B). On the other hand, the period registered a record percentage of tourists, 8.7 in apartments and cottages accommodation. Tourists who stayed at hotels recorded 21.0 percent. Altogether, tourists at paid accommodation registered a record high of 44.1 percent

Total excursionists increased by 4.6 percent over the year. The French West Indies accounted for 55.3 percent of day trippers with excursionists on holiday, accounting for 65.8 percent of all holiday tourists (Table 19 and 19A).

For 2007, cruise ship calls recorded 246 with 354,515 passengers. However, sharp percentage decreases in cruise ship calls, 21.66 percent and passengers 6.62 percent were noted over the last year.
