## **EXPLANATORY NOTES**

### **THE FOLLOWING DEFINITIONS HAVE BEEN USED IN THIS REPORT**

#### **TOURISM:**

Tourism denotes the temporary, short movements of people to destinations outside the places where they normally live and work, for other than business or vocational reasons and their activities during the stay at these destinations.

Tourism represents various types of short-term travel and visits and is variously defined for particular purposes, by reference to the purpose of the journey, its duration and other criteria.

#### **VISITORS:**

A visitor is a non-resident person (national or alien) usually resident abroad, who enters Dominica and intends to stay for not more than one year for non-immigrant purposes such as touring, recreation, leisure, business, study or family reasons. Visitors have been divided into the following categories:

- (i) TOURIST: Any person who stays at least one night but not more than 365 nights in land accommodations.
- (ii) EXCURSIONIST: Any person who does not stay for any one night in any land accommodations.

Hence, an excursionist may either be a flight passenger who departs from Dominica on the same day he arrives, or a boat passenger who sleeps on board the vessel in a port of Dominica.

#### **RESIDENT:**

Any person (national or alien) who has been residing or has been given permission to reside for more than one year and who has not yet been abroad for more than one year.

**TOURISTS ARE SUB-DIVIDED AS FOLLOWS:**

1. Holiday visitors whose purpose of visit is expressly stated as vacation. These visitors are classified either as staying in hotels, guesthouses or cottages, or as staying in private homes (i.e. with friends or relatives).
2. Business visitors who come for private as well as governmental business purposes. Included also are research workers from international institutions such the U.N., the I.M.F. and the CARICOM Secretariat.
3. Students who are permitted to enter to pursue a course of study at a school or university.
4. Other visitors, that is, visitors not covered by the previous three categories.
